Letter No. 2856 dated the 1st April 1947 from the Chief Electrical Engineer.

Requests sanction of post for the appointment of a Cashier in grade Rs. 12-1-15 for the S.D.O.'s office as a permanent measure.

It may be stated here that this appointment was first sanctioned for a period of one year from 24th January 1946 and this sanction expired in January 1947. Instead of applying to Govt. for further sanction to continue the appointment, the E.E. has terminated the services of the incumbent after one year's period and now approaches Govt. after a lapse of three months for its sanction as a permanent measure. The reasons adduced are the same as those already furnished.

The reason may be asked & how the duties were managed may perhaps also be ascertained now

2. It is not clear as to which are all the heavy cash transactions that the S.D.O.'s office has to deal with. The Treasury transactions also may not be many to necessitate the appointment of a wholetime Cashier. This appointment may perhaps be continued for a
